BROWN TALKS FOR POEPOE

Advises Those Opposed to Him to Vote for Fusionist.

"If the voters do not want to vote for me for Sheriff, let them vote for Poepeo!"

Arthur M. Brown, nominee of the Progress Hall Convention for Sheriff, said that at a meeting held in Kalihi on Wednesday night. It was said in Hawaiian, and was heard and remarked by all who were at the meeting. And, in view of the talk of the Star, which is Brown's chief organ, about the danger of Poepeo's success, it is a most significant thing. Governor Carter has said that Brown has the purpose to rule or ruin the Republican party of Oahu. His advice to the voters to vote for the Home Rule candidate for sheriff, if they cannot vote for him, is proof absolute that Brown is willing to ruin, if he cannot rule.

If there is any danger of Home Rule success, Arthur Brown, Republican nominee for Sheriff, would seem to be more than willing to contribute to that danger. "If you cannot vote for me for sheriff, then vote for Poepeo!" It is the call of a desperate and desperately frightened man driven into a corner. Does Brown see the handwriting on the wall? Does he feel that he is doomed to defeat in his hope of a vindication—at the expense of the county of Oahu? It looks like that—and as though he was preparing to pull the house down with him, if he must go down. The candidates on the ticket with him would better be on the lookout for knives. It is said now that there is a campaign fund for some candidates on the straight ticket in the benefits of which the others do not share.

And, what do the "straight ticket" men think of this advice from the head of their ticket, given in open mass meeting where all could hear? Does not sound much like "straight ticket" talk, that doesn't. Everybody has recognized, of course, that the Home Rule scarecrow was a creation of the Brown managers, for a purpose, but not even Brown's political enemies have heretofore believed him capable of really contributing to actual Home Rule success. It is rule or ruin, to a certainty.

CAFE BIDS FOR IMMIGRATION DEPOT

The tenders of various bidders for the privilege of maintaining a restaurant and fruit and candy stand in the new immigration station were opened at the office of the local commissioner yesterday afternoon at 2 o'clock. Bidders gave the figures for which they would furnish meals to Asiatics and to persons other than Asiatics and a number of them gave supplementary figures on other delicacies which they would supply to such as wished to buy them. It is understood that the man who gets the food contract may sell other eatables and drinks with the exception of intoxicating liquors which are barred.

The bids were as follows:

ATTORNEY STEWART TO LEAVE HAWAII

"Yes, I have decided to leave the Islands," said T. McCants Stewart to the Advertiser's representative, who called at his law office late yesterday afternoon.

"When we won out in the County Act fight, I said to many of my close friends, that I had fought my last fight; and I kept out of county politics. They will now know what I meant."

"My wife's health is not the most vigorous here; and it is not an easy thing to get up to, and down from, the coast for those periodical changes, which a mother of growing children, not native here, actually needs."

"Yes, I expect to miss Hawaii, I shall always be interested in her welfare. I have had a strenuous life here, but I have enjoyed it; and I have made some friendships which will pull at my heart forever."

"I shall head for old New York; but I have no absolute plans yet. I was delighted with Chicago when I was there last year."

Tests Patience

The Most Patient Honolulu Citizen Must Show Annoyance at Times.

Nothing spoils a good disposition. Nothing taxes a man's patience. Like any itchiness of the skin. Itching Piles almost drive you crazy. All day it makes you miserable. All night it keeps you awake. Itch! Itch! Itch! with no relief. Just the same with Eczema. Can hardly keep from scratching it. You would do so but you know it makes it worse.

Such miseries are daily decreasing. People are learning they can be cured. Learning the merit of Doan's Ointment.

Plenty of proof that Doan's Ointment will cure Piles, Eczema or any Itchiness of the skin.

Frank Leiby of 326 S. Main st., Wilkesbarre, Pa., U. S., says: "It is with much pleasure that I testify to the merits of Doan's Ointment in cases of itching piles. I suffered from that tormenting affliction for the past year. I tried nearly everything that was recommended to me and what I saw advertised, but I could get no relief. Finally I procured Doan's Ointment. After a few applications I was much relieved, and, continuing the treatment, I was soon completely cured. I have felt no signs of that intolerable itching since, and it is four months ago since I used Doan's Ointment. To say that I was delighted is only half expressing my enthusiasm. I recommend this remedy whenever the opportunity is presented. You may publish my statement at any time and I can always be found at 326 S. Main street, and will vouch for the same."

Doan's Ointment for sale by all dealers; price 50 cents. Mailed by The Hollister Drug Co., agents for the Hawaiian Islands.

Remember the name DOAN'S, and take no substitute.

NO COMPETITION.

The uniform success of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the relief and cure of bowel complaints both in children and adults has brought it into almost universal use, so that it is practically without a rival, and as everyone who has used it knows, is without an equal. Sold by Benson Smith & Co., Ltd., agents for Hawaii.
